

Department of Social Work

Dr. Mizanur Miah, Head

2002B Health Sciences and Business Administration Building

The Department of Social Work offers a Master of Social Work degree. Social Work is a profession committed to improving the quality of life for all individuals. Social workers perform a variety of roles in many settings and are eligible for professional certification and state licensure. The Master of Social Work degree program at Valdosta State University is designed to prepare students for advanced generalist practice. Social workers in advanced generalist practice use their skills as direct service providers in interventions with individuals, families, groups, organizations, as well as in communities in the role of supervisors, managers, administrators, researchers, and social planners.
