

Undergraduate Financial Aid

*Mr. Douglas R. Tanner, Director of Financial Aid
Room 4121, University Center*

The purpose of the student aid program is to help make higher education a reality for persons who would be unable to attend without financial assistance. However, financial aid is awarded only to eligible students who have been admitted to the University. The Free Application for Federal Student Aid (FAFSA) may be submitted at any time.

Financial aid applications are accepted and processed throughout the academic year, but priority is given to those submitted by April 1.

This material was prepared in advance of the 2015-2016 academic year and is subject to changes in state or federal laws or regulations.

Grants

Federal Pell Grant

A Pell Grant is gift aid, with no repayment required, and is available to undergraduate students who show financial need and who have not received a bachelor's degree. A FAFSA is required.

Federal Supplemental Educational Opportunity Grant (SEOG)

SEOG is gift aid, with no repayment required and is available to undergraduate students who show financial need and who have not received a bachelor's degree. First priority goes to students who also qualify for a Federal Pell Grant and have the greatest need. A FAFSA is required.

Vocational Rehabilitation Assistance

Vocational Rehabilitation provides assistance to students with physical limitations. Usually fees are paid for eligible students. Apply through your local Office of Rehabilitation Services.

Other Federal Programs

Veterans Financial Aid Services

The Veterans Affairs Office, a part of the Office of Financial Aid, is located in the University Center. A full-time counselor assists all veterans in completing applications for educational benefits, making adjustments in payments, providing tutorial assistance, updating enrollment certifications, and with other services to assist veterans with their education.

Veterans Administration Assistance

Veterans, service personnel, and eligible dependents may qualify to receive benefits through the Veterans Administration. Applications may be made through the VSU Office of Veterans Affairs. Veterans enrolled in physical education courses can be certified to the Veterans Administration for VA benefits when the courses will be credited toward the completion of their approved educational program. It must be documented that credit cannot be granted for the courses based upon prior military training or experience. Veterans should refer any problems to the Veterans Office for assistance. Telephone 229-333-5935.

Post-9/11 GI Bill

The Post-9/11 GI Bill provides financial support for education and housing to individuals with at least 90 days of aggregate service on or after September 11, 2001, or individuals discharged with a service-connected disability after 30 days. You must have received an honorable discharge to be eligible for the Post-9/11 GI Bill. The Post-9/11 GI Bill became effective for training on or after August 1, 2009. The amount of support that an individual may qualify for depends on where they live and what type of degree they are pursuing. Approved training under the Post-9/11 GI Bill includes graduate and undergraduate degrees and vocational/technical training. All training programs must be offered by an institution of higher learning (IHL) and approved for GI Bill benefits. Additionally, tutorial assistance and licensing and certification test reimbursement are approved under the Post-9/11 GI Bill. The Post-9/11 GI Bill will pay your tuition based upon the highest in-state tuition charged by an educational institution in the state where the educational institution is located. The Post-9/11 GI Bill also offers some service members the opportunity to transfer their GI Bill to dependents.

Montgomery GI Bill (Active Duty)

This program of education benefits is for students who enter active duty for the first time after June 30, 1985. The student must, with certain exceptions, serve continuously on active duty for three years of a 3-year enlistment, or for a lesser benefit, two years of an initial active duty obligation of less than three years. A student also may qualify for benefits by initially serving two continuous years on active duty, followed by four years of Selected Reserve Service.

Montgomery GI Bill (Selected Reserve)

This program of education benefits is for reservists of the armed forces as well as the Army National Guard and the Air National Guard. To be eligible for this program, a reservist must have a 6-year obligation to serve in the Selected Reserve, complete Initial Active Duty for Training, have a high school diploma or its equivalent, and remain in good standing in a drilling Selected Reserve Unit.

If a student has a parent who is a military veteran with a disability, the student may qualify for help from the U.S. Department of Veterans Affairs. Benefits may be awarded for pursuit of associate, bachelor, or graduate degrees at colleges and universities. Details are available in the Office of Veterans Affairs of Valdosta State University.

Loans

The Federal Direct Stafford/Ford Loan

This loan allows students enrolled at least half-time to borrow money at low interest for educational expenses. There are two types of Federal Direct Stafford/Ford Loans: (1) Federal Direct Subsidized Stafford/Ford Loans and (2) Federal Direct Unsubsidized Stafford/Ford Loans. The Federal Direct Subsidized Stafford/Ford Loans is need based, and the Federal Government subsidizes and pays the interest on this loan while the student is in school and during the six-month grace period. The unsubsidized loan is not need-based. This loan was created for borrowers who do not qualify for federal interest subsidies. The student either pays the interest while in school and during the six-month grace period or it is added to the balance of the loan. A FAFSA is required.

VSU Short-Term Loans

Short-term emergency loans are available from the Division of Finance and Administration each semester. Apply to the VSU Office of Student Accounts located in the Bursary.

Federal Direct Parent (PLUS) Loan

This loan is an educational loan for parents of dependent undergraduate students enrolled at least half-time. Financial need is not an eligibility requirement, but good credit is required. Loan eligibility is based on the cost of attendance minus other aid received. A FAFSA is required.

Work

Federal Work-Study Program (FWSP)

The University participates in the Federal Work-Study Program. Eligible students may work part-time during the academic year. To apply for and be considered for the FWSP, the students must complete and submit all required financial aid documents to the Office of Financial Aid. Priority is given to those students who have completed financial aid applications by April 1.

University-Wide Scholarships

Valdosta State University offers academic scholarships each year to incoming freshmen. Various criteria are considered, such as SAT or ACT scores and high school grades. The Office of Admissions notifies eligible students of their selection and the amount of their scholarship. There is no application for these scholarships, as eligible students are automatically selected by the VSU Office of Admissions. The scholarships offered are as follows:

R. B. Whitehead Scholarship

Provided from funds donated to the University by the late Mr. and Mrs. R. B. Whitehead of Valdosta. The Whiteheads were enthusiastic supporters of the University, donating money not only to scholarships but to campus beautification. Selected by the VSU Office of Admissions.

Scholarships with Specific Requirements

Many VSU scholarships are designed for students with specific majors or who meet specific requirements. These scholarships require a student to apply for each scholarship for which they wish to be considered. Most scholarship applications should be submitted before March 1 of each year. On any scholarship in which financial need is a criteria for consideration, the student must have a FAFSA (Free Application for Federal Student Aid) form on file with the Office of Financial Aid.

Click here (<http://www.valdosta.edu/admissions/financial-aid/scholarships.php>) for scholarship requirements and application information.

Financial Aid Academic Requirements

In accordance with the Higher Education Act of 1965, as amended, students must be making satisfactory academic progress ("SAP"), both in quality and quantity, to qualify for and continue to receive Title IV federal financial aid. The satisfactory academic progress standards for federal financial aid recipients at Valdosta State University are as follows:

Undergraduate Students

Qualitative

All undergraduate students are expected to maintain at least a 2.0 cumulative GPA for all courses taken at Valdosta State University, or which have been accepted for credit toward their program of study from a prior institution.

Quantitative

In addition to maintaining the specified grade point average, students receiving financial aid must complete their degree within an acceptable number of attempted hours and successfully complete a minimum percentage of credit hours each academic year.

To maintain financial aid eligibility at Valdosta State University, a student must complete his or her degree program by the time he or she has attempted 150% of the number of semester hours required to earn the degree. Examples: Students pursuing a degree that requires 120 semester hours may not receive financial aid after they have attempted 180 hours. If the degree requires 130 semester hours, students will be expected to have earned the degree after having attempted no more than 195 hours.

Students must successfully complete 67% of the courses for which they register at Valdosta State University or which have been accepted for credit toward their program of study from a prior institution. The grades of A, B, C, D, and S count as the successful completion of a course. The grades of F, W, WF, I, IP, U, NR, and V do not count as the successful completion of a course.

Remedial Course Work

No student may receive financial aid for more than 30 hours of remedial course work, which includes all College Preparatory Curriculum deficiencies and developmental courses.

Monitoring of Satisfactory Progress

All quantitative and qualitative academic requirements will be checked at the end of each semester and at the time the student applies for financial aid. Students who are found to be in violation of the 2.0 GPA rule and the 67% completion pace requirements will be placed on warning and receive a warning letter notifying them that they have one semester to graduate or come into compliance with all SAP requirements. Students who reach the maximum time frame or do not come into compliance with the 2.0 GPA and 67% completion pace requirements within one semester of being placed on warning will have their financial aid terminated.

The grade point average of students who apply during the academic year, the limitation on the total hours attempted, and the 67% completion pace requirement will be checked as of the end of the last semester attended.

Summer Semester

Courses taken during the summer are counted exactly the same as courses taken during any other semester.

Transfer Students

Transfer students will be considered as incoming freshmen for the initial awarding and disbursement of financial aid until transcripts arrive and are evaluated. Only grades earned at Valdosta State University will be used to determine the grade point average for financial aid eligibility. Hours transferred to Valdosta State University will be counted as total hours attempted for the maximum time frame.

Repeated Courses, Remedial Courses, Withdrawals, and Incompletes

Students should be careful in repeating courses, as all attempts at a course are counted in the maximum hours allowed to obtain a degree. Students are also reminded that withdrawing from a course does not count as successful completion and does not count in the required 67% completion rate. Incompletes also do not count as the successful completion of a course, and excessive incompletes can result in the termination of financial aid. Students can receive financial aid for no more than 30 hours of remedial course work (including remedial courses and courses to satisfy deficiencies in the College Preparatory Curriculum). However, students required to take remedial course work may have their eligibility extended by the number of remedial hours taken, up to a maximum of 30 hours.

Reinstatement of Aid

Reinstatement of Financial Aid depends upon availability of financial aid funds at the time of the application for reinstatement and other factors: students who lose eligibility for financial aid for failure to maintain the required 2.0 GPA or the required 67% completion pace can apply for reinstatement of their financial aid once they are in compliance with all SAP requirements. Students terminated from aid for failure to exit Learning Support within 30 semester hours may apply for a reinstatement of aid after exiting Learning Support.

Appeals

Students wishing to appeal may do so by filling out a Satisfactory Progress Petition and presenting it to the Office of Financial Aid, along with any supporting documentation. The Financial Aid staff may take into consideration illness, death in the immediate family, or any other extenuating

circumstances. Students will be notified, in writing, of the decision. Students wishing to appeal the decision of the Office of Financial Aid may do so by writing to the Student Financial Aid Committee.

Academic Renewal

The U.S. Department of Education does not recognize academic amnesty or academic renewal in relation to financial aid satisfactory academic progress. VSU is required to include all courses and grades in evaluating a student's satisfactory academic progress. However, if there were special circumstances involved, VSU may be able to approve an academic appeal and place a student on probation or an academic plan.

Financial Obligations Resulting from Academic Load Changes

Financial aid recipients who have loans and reduce their academic load to below half-time may have a financial obligation to the University. The undergraduate half-time load is six hours; the graduate half-time load is five hours. Students receiving a Pell Grant who drop classes to reduce their academic load may also have a reduction in their Pell Grant and thus incur a financial obligation to the University.

Students who add classes through the appeal process after the announced Drop/Add dates may incur a financial obligation, which is due upon receipt of the approval of the added classes. Classes added and not paid for are subject to cancellation.

All these financial obligations are due within five working days after the processing of the load changes and are payable at the Bursary.
