

Dental Hygiene Program (DHYG)

DHYG 1000. Oral Anatomy and Root Morphology. 2 Hours.

Taught by Wiregrass Technical College. Provides the student with a thorough knowledge of external and internal morphological characteristics of human primary and secondary dentition, various tooth identification systems, classifications of occlusion and dental anomalies.

DHYG 1010. Embryology and Histology. 1 Hour.

Taught by Wiregrass Technical College. Focuses on the study of cells and tissues of the human body with emphasis on those tissues that compose the head, neck, and oral cavity.

DHYG 1020. Head and Neck Anatomy. 2 Hours.

Taught by Wiregrass Technical College. Focuses on anatomy of the head and neck. Emphasis is placed on those structures directly affected by the practice of dentistry.

DHYG 1030. Dental Materials. 2 Hours.

See Wiregrass Technical College catalog for course description.

DHYG 1040. Dental Hygiene Preclinic Lecture. 2 Hours.

See Wiregrass Technical College catalog for course description.

DHYG 1050. Dental Hygiene Preclinic Lab. 2 Hours.

See Wiregrass Technical College catalog for course description.

DHYG 1070. Radiology Lecture. 2 Hours.

See Wiregrass Technical College catalog for course description.

DHYG 1090. Radiology Lab. 1 Hour.

See Wiregrass Technical College catalog for course description.

DHYG 1110. Dental Hygiene Lecture I. 2 Hours.

See Wiregrass Technical College catalog for course description.

DHYG 1111. Dental Hygiene Clinic I. 3 Hours.

See Wiregrass Technical College catalog for course description.

DHYG 1206. Pharmacology. 3 Hours.

See Wiregrass Technical College catalog for course description.

DHYG 2010. Dental Hygiene Clinic Lecture II. 2 Hours.

See Wiregrass Technical College catalog for course description.

DHYG 2020. Dental Hygiene Clinic Lab II. 2 Hours.

See Wiregrass Technical College catalog for course description.

DHYG 2050. Pathology. 3 Hours.

See Wiregrass Technical College catalog for course description.

DHYG 2070. Community Dental Hygiene. 3 Hours.

See Wiregrass Technical College catalog for course description.

DHYG 2080. Dental Hygiene Lecture III. 2 Hours.

See Wiregrass Technical College catalog for course description.

DHYG 2090. Dental Hygiene Clinic Lab III. 4 Hours.

See Wiregrass Technical College catalog for course description.

DHYG 2105. Dental Nutrition. 1 Hour.

Familiarizes students with the role of nutrition in the human body with an emphasis on the dental hygienist's role as a nutritional educator. Topics include: molecular structure, carbohydrates, proteins, nutrition and digestion, nutritional aspects, nutritional disorders and diet assessment.

DHYG 2130. Dental Hygiene Lecture IV. 2 Hours.

See Wiregrass Technical College catalog for course description.

DHYG 2140. Dental Hygiene Clinic IV. 4 Hours.

See Wiregrass Technical College catalog for course description.

DHYG 2200. Periodontology. 3 Hours.

See Wiregrass Technical College catalog for course description.
