

# Interdisciplinary Studies (INDS)

---

**INDS 2000. Introduction to Interdisciplinary Studies. 3 Hours.**

An introduction to the theory of interdisciplinarity. The course focuses on exploring common pathways and connections among disciplines. It enables students to develop a personal theory of interdisciplinary studies and culminates in a detailed plan for an individualized major.

**INDS 4000. Interdisciplinary Studies Capstone. 3 Hours.**

Planned seminars, directed study, and a project will be used to demonstrate mastery of interdisciplinary study. The course provides the opportunity for synthesis and critical assessment of multiple interdisciplinary foci into a coherent whole.
