

Master of Business Administration (MBA)

The Master of Business Administration program offers two tracks. The General Business track of the Master of Business Administration (MBA) is an on-campus, part-time, evening program. Each class meets one night per week. Students can begin the General Business track of the MBA program any semester. The program offers four 3-hour MBA courses in Fall and Spring Semesters and at least two 3-hour MBA courses in Summer Semester. The program can be completed in three to four semesters; however, students may choose to take up to seven years to complete the program.

The Healthcare Administration track of the MBA is an online, part-time, program designed for students interested in a career in the area of healthcare.

Admission Deadlines

- Fall Deadline: July 15
- Spring Deadline: November 15

MBA Learning Goals

MBA students will be:

- Competent in the business disciplines, using appropriate accounting, marketing, economics, quantitative methods, organizational behavior, finance, or production knowledge and tools to make a business decision in that functional area.
- Critical thinkers, using concepts from strategic management to integrate relevant information, decision-making techniques, and concepts from multiple business functions to make decisions in new or unpredictable environments.
- Effective communicators, using information technology and oral and written skills to enhance decision making through better communication.
- Proficient in making ethical and legal decisions, recognizing cultural differences in the legal and ethical implications of business decisions.
- Globally cognizant, identifying management issues in a global environment with disparate business views and culturally diverse customers and employees.
- Team players and leaders, demonstrating team and leadership skills needed to make a business decision.

Examples of Goal Assessments

1. Students complete knowledge tests related to relevant learning objectives for each course.
2. Students complete class exercises and group projects and present cases in oral and written form.
3. Faculty observe and rate students on teamwork and leadership skills.
