

Bachelor of Arts with a Major in Music

The Bachelor of Arts degree with a major in music is a 120-hour liberal arts degree program. Students must meet all requirements established by the College of Arts and Sciences and the College of the Arts, including a foreign language sequence. Students may select guided electives outside of music to develop a minor in another discipline.

Selected Educational Outcomes

1. Candidates will demonstrate functional knowledge of the elements of music construction.
2. Candidates will display conceptual understanding of the literature and historical development of music in Western civilization and of the function of music in world cultures.
3. Candidates will exhibit broad interests in liberal arts or minor studies.
4. Candidates will meet all the standards set forth by the National Association of Schools of Music (NASM) for the liberal arts degree with a major in music.

Examples of Outcomes Assessments

1. Candidates will produce an in-depth analysis project or paper in which fundamental musical constructs are documented.
2. Candidates will produce an in-depth paper that demonstrates conceptual understanding of music in Western civilization and/or of the function of music in world cultures.
3. Candidates will complete a capstone project under the guidance of music faculty as part of the recital. This project will take the form of written program notes.
4. Candidates will demonstrate performance skill through the jury process (a prepared performance adjudicated by a panel every semester), a performance barrier (after 4 semesters of applied instruction) that leads to upper division applied study, and a senior recital of not less than 20 minutes.
