Dr. Michael P. Savoie, Dean
222 Georgia Avenue, The VSU Honors House

The University Honors College is an interdisciplinary program with courses leading to a certificate of completion in University Honors.

The University Honors College offers special courses and activities designed to help qualified students realize their full intellectual potential and to provide them the best possible preparation for their major degree programs. It does so through a wide range of special classes and interdisciplinary seminars supported by departments and faculty across campus.

A student who completes all certificate requirements also receives recognition at Honors Day as well as at graduation ceremonies. In addition, the students receive a Certificate of University Honors and special notation on official university transcripts.

Admission into the Honors College is based on a composite score. The composite is factored using SAT or ACT scores, high school GPA, and a writing sample from the Honors application. The minimum requirements for acceptance are SAT 1170 (CR + M) or ACT composite of 26 or higher; high school GPA of 3.3. Current students who achieve a 3.2 GPA or better may be considered. For students who do not meet the SAT/ACT minimum requirement, provisional acceptance into the Honors College may be granted to students meeting the high school GPA requirement with an acceptable writing sample. Provisionally accepted students must maintain a GPA of at least 3.3 in their first year of courses in order to gain full admission to the College.

Requirements for Graduation with the Certificate in University Honors

- 24-28 hours in the Honors Curriculum as designated below
- 3.3 or higher cumulative GPA, and a 3.0 or higher GPA in Honors curriculum courses. Students failing to meet the GPA requirement will have a one-semester probation period to continue their enrollment in the Honors College.
