

Interdisciplinary Studies (INDS)

INDS 2000. Introduction to Interdisciplinary Studies. 3 Hours.

An introduction to the theory of interdisciplinarity. The course focuses on exploring common pathways and connections among disciplines. It enables students to develop a personal theory of interdisciplinary studies and culminates in a detailed plan for an individualized major.

INDS 4000. Interdisciplinary Studies Capstone. 3 Hours.

Planned seminars, directed study, and a project will be used to demonstrate mastery of interdisciplinary study. The course provides the opportunity for synthesis and critical assessment of multiple interdisciplinary foci into a coherent whole.
