

# Master of Education with a Major in Adult and Career Education

---

## Candidates select one of three program options:

1. Workforce Education and Development Option
2. Career and Technical Education Option
3. Business Education and Information Technology Option

## Workforce Education and Development Option

### Selected Educational Outcomes

1. Candidates will demonstrate a comprehensive understanding of the knowledge, research, and theories appropriate to their major field.
2. Candidates will demonstrate advanced knowledge and skills appropriate to adult workforce education.
3. Candidates will demonstrate the ability to engage in focused inquiry on a topic relevant to their particular area of concentration.

### Examples of Outcome Assessments

1. Candidates will successfully develop an approved capstone experience that requires the application of knowledge and skills gained from a series of courses. The capstone project will be evaluated by a team of faculty members.
2. Candidates will successfully complete culminating assessments in ACED 7640 and ACED 7150.
3. Program graduates will successfully research a topic including a relevant literature review as part of the requirements of the capstone project.

## Career and Technical Education Option

### Selected Educational Outcomes

1. Candidates in advanced teacher education programs have an in-depth knowledge of the content that they teach.
2. Candidates in advanced teacher education programs select and use a broad range of instructional strategies and technologies that promote student learning, and they will clearly explain the choices they make in their practice.
3. Candidates in advanced teacher education programs reflect on their practice and are able to identify their strengths and areas of needed improvement.
4. Candidates in advanced teacher education programs analyze student, classroom, and school performance data and make data-driven decisions about strategies for teaching and learning so that all students learn.

### Examples of Outcome Assessments

1. Candidates in advanced teacher education programs will demonstrate the level of their content knowledge as it relates to current issues in the field as part of the requirements for the capstone project. Candidates will research relevant issues related to their content field and to the pedagogy in that field which will lead to the successful completion of the Capstone Experience Current Issue Research Project.
2. Candidates in advanced teacher education programs will demonstrate their use of instructional strategies and technologies through completion of a teaching episode.
3. Candidates in advanced teacher education programs will document reflection on their teaching and will identify areas of strengths and areas for improvement through completion of the COEHS Advanced Teacher Self-Assessment Instrument.
4. Candidates in advanced teacher education programs will demonstrate their ability to positively impact P-12 learning through performance on an approved capstone experience that requires the application of knowledge and skills gained from a series of courses. The capstone experience will be evaluated by a team of faculty members.

## Business Education and Information Technology Option

### Selected Educational Outcomes

1. Candidates will demonstrate a comprehensive understanding of the knowledge, research, and theories appropriate to their major field.
2. Candidates will demonstrate knowledge and skills in advanced Business Education and Information Technology computer applications.
3. Candidates will demonstrate the ability to engage in focused inquiry on a topic relevant to their particular area of concentration.

### Examples of Outcome Assessments

1. Candidates will successfully develop an approved capstone experience that requires the application of knowledge and skills gained from a series of courses. The capstone project will be evaluated by a team of faculty members.

2. Candidates will successfully complete specified assessments in the five classes of the Area of Concentration.
3. Candidates will successfully research a topic and successfully complete a relevant literature review as part of the requirements of the capstone project.

Prior to admission to any graduate program at Valdosta State University, applicants must first submit a completed application to the Graduate School. A completed application packet includes official transcripts from all institutions previously attended, official test scores (GRE or MAT), completed application form, fee, and any additional program requirements, submitted by the admission deadline. To be considered for the preferred term, all required materials must be received by the Graduate School no later than the close of business on the deadline. It is the responsibility of the applicant to allow adequate time for document submission and to ensure receipt of documents.

## Admission Deadlines

- Fall Deadline: July 15
- Spring Deadline: November 15
- Summer Deadline: May 1

Go to the Graduate School website (<http://www.valdosta.edu/gradschool/programs.shtml>) and click on ACED M.Ed. Program for information on:

- Specific ACED M.Ed. Program Admission Requirements
- ACED M.Ed. Program Retention, Dismissal, and Readmission Policies
