

# Bachelor of Business Administration with a Major in Accounting

## Educational Objectives of Accounting Majors

An accounting graduate will be able to

1. demonstrate fundamental knowledge in the functional areas of accounting: financial and managerial reporting, taxation, information systems, and auditing;
2. explain ethical and legal responsibilities of an accounting professional;
3. apply computer technology skills in an accounting context;
4. apply and perform research techniques in an accounting context.

## Examples of Outcome Assessments

1. Embedded test items;
2. A common rating instrument to evaluate written and oral communication skills (including use of presentation software);
3. Case studies to evaluate critical thinking and problem-solving skills;
4. Application-based testing of spreadsheets, accounting databases, research skills, and accounting general ledger software.
