

Middle and Secondary Education (FRMS)

FRMS 7331. Early Adolescent Literature. 3 Hours.

A study of pedagogical theory and practices for integrating contemporary early adolescent/young adult literature into the middle and secondary school curriculum. Course content will focus on making text selections, workshop approaches, literary circles, and reader response theory.

FRMS 7335. Teaching Middle Grades and Secondary Mathematics. 3 Hours.

An in-depth study of current content standards, methods and assessment strategies for teaching middle grades and secondary mathematics.
