

# Master of Science with a Major in Criminal Justice

## Selected Educational Outcomes

Students completing requirements for the Master of Science degree with a major in criminal justice should master the following:

1. identify and describe major criminological theories, their strengths and weaknesses, their role in explaining crime and delinquency, and their role in informing public policy;
2. recognize and apply the structural principles and functions of systems of criminal justice in the United States and in other countries to the development and assessment of criminal justice research, practices, and policies;
3. use and apply scientific research methods to the study of crime as well as to solving crimes;
4. integrate criminal justice theory and research findings with criminal justice practice;
5. describe the development of contemporary criminal justice issues in modern societies and how assessing and responding to such issues may be informed by systematic research and analysis.

## Outcome Assessments

Educational outcomes for the Master of Science degree with a major in criminal justice will be assessed in the following ways:

1. systematic analysis of student examinations and research papers from courses;
2. surveys of students or alumni from the program;
3. baseline data from other comparable programs in the university will be compared to data based on students in the program;
4. regular meetings among program faculty to assess courses and student performance;
5. periodic review of all theses and area papers written in a given assessment period and evaluation of related student performance.

Prior to admission to any graduate program at Valdosta State University, applicants must first submit a completed application to the Graduate School. A completed application packet includes official transcripts from all institutions previously attended, official test scores (GRE), completed application packet, fee, and any additional program requirements submitted by the admission deadline. To be considered for your preferred term, all required materials must be received by the Graduate School no later than the close of business on the deadline. It is the responsibility of the applicant to allow adequate time for document submission and to ensure receipt of documents.

## Admission Deadlines

Fall Deadline: July 15

Spring Deadline: November 15

Summer Deadline: April 15
