

Tuition, Fees, and Costs

Ms. Traycee F. Martin

Vice President for Finance and Administration

University Center, Entrance 5

Valdosta State University is a unit of the University System of Georgia and receives a portion of its operating funding through appropriations from the State of Georgia. This support enables the University to offer high quality educational programs at a minimal cost to its students.

Valdosta State University's academic year consists of two terms: Fall and Spring, as well as a series of Summer Sessions.

The University's tuition is set by the University System of Georgia Board of Regents each spring and is effective the following fall term. Mandatory Fees and Other Fees are proposed annually by the University, supported by a committee, half of whom are students, and ultimately approved by the Board of Regents. However, the University and the University System reserve the right to change fees at the beginning of any term.

Tuition and Fee Schedules

All charges are based on approved fees and are subject to change according to the policy of the Board of Regents.

For tuition and fee schedules, click here (<http://www.valdosta.edu/administration/finance-admin/financial-services/students/services/tuition-and-fee-schedules.php>).

All new students who attend orientation programs will be charged \$60 to cover the related costs. All transfer students who attend an orientation program will be charged \$25 to cover the related costs.

VSU assesses mandatory fees each semester to students who are registered for one or more credit hours on the main campus or who are living in the dorms and taking all online courses. VSU's mandatory fees for these students include health fee, student activity fee, athletic fee, transportation fee, parking facility fee, and health facility fee.

All students are charged the following mandatory fees each semester regardless of campus or registered credit hours: technology fee, access card fee, and a Board of Regents Institutional fee.

All fees are tentative and subject to change according to Board of Regents policy.

Audit (non-credit) Fees

Fees for attending class on an audit or non-credit basis are calculated on the same schedule as regular academic fees.

Payment of Fees at Registration

Registration is complete only when tuition and fees are paid by the established deadline.

Students are responsible for determining account balances and securing payment by the established fee payment deadline. The University's web site is the most up-to-date reference for registration and fee payment deadline dates, but text and phone messages are also sent to the campus alert phone numbers available in Banner, as well as notices being sent to University e-mail accounts. The VSU e-mail is an official means of communication with students.

Invoices are not mailed; electronic invoices (eBills) are posted online each semester in the Online Student Account Center. See the Bursary Calendar (click here) (<https://www.valdosta.edu/administration/finance-admin/financial-services/students/services/bursary-calendar.php>) for current scheduled posting dates. Generally, the invoice will reflect the amount owed, which is based on the courses selected, living arrangements on campus, the meal plan selected, and other student choices.

Financial Aid may be used to pay for tuition and room and board in accordance with federal regulations. If financial aid is not sufficient or available to cover the full student account balance, VSU accepts the following payment forms--all of them may be used to secure registration, but in all cases, full payment is required: cash, personal check, ACH direct payment (online webcheck), money order, traveler's check, online credit card (Visa, MasterCard, Discover, or American Express), university short-term loans (separate qualifications required), Nelnet Payment Plan, completed and fully authorized financial aid (meaning all promissory notes have been signed for loans). Credit card payments are accepted only online through the Online Student Account Center (https://secure.touchnet.com/C20243_tsa/web/login.jsp).

VSU does not accept the following payment forms: third party checks, credit card checks, starter checks, or counter checks.

If full payment is not made by the fee payment deadlines, VSU reserves the right to take the following actions and will notify students of such action: cancel registration in progress, hold student records, prevent future registration, and pursue collection of debt.

Students who register but subsequently change their plans to attend must drop all courses before the end of the official online drop/add period for the semester. Failure to do so could result in unsatisfactory grades and/or financial obligations to the University. A withdrawal from one class does not mean a complete withdrawal from the University.

Please refer to the following section for the University's Refund Policy.

For complete payment instructions, click here (<http://www.valdosta.edu/administration/finance-admin/financial-services/students/services/how-to-pay-fees.php>).

Refund of Fees

Students officially withdrawing from the University after paying fees for the term will be issued a 100% refund for tuition, mandatory fees, campus housing, and board meal plans, provided the official withdrawal occurs NO LATER THAN the official drop/add day for refunds. Students officially withdrawing from ALL classes AFTER the official drop/add day will receive a refund based upon the following official refund policy:

The refund amount shall be based on a pro rata percentage determined by dividing the number of calendar days in the semester that the student completed by the total calendar days in the semester. The total of calendar days in a semester includes weekends but excludes scheduled breaks of five or more days and days that a student was on an approved leave of absence. The unearned portion shall be refunded up to the time that the amount earned equals 60%.

Students who withdraw when the calculated percentage of completion is greater than 60% are not entitled to a refund of any portion of institutional charges. A refund of all non-resident fees, matriculation fees, and other mandatory fees shall be made in the event of the death of a student at any time during the academic session.

Housing fees, post office box fees, and music fees are non-refundable fees. Flex charges and à la carte meal plans are refundable only to the extent they are unspent.

It is the student's responsibility to withdraw officially in accordance with university regulations, which are set out in this catalog. Students receiving funds and financial aid monies will have their refunds restored to the following programs in this precise order: outstanding balances on unsubsidized loans, subsidized loans, PLUS loans, Pell, SEOG, other Title IV student assistant programs, HOPE, private scholarships, and finally to the student.

No other refunds or reductions are allowed unless such reductions are necessitated by schedule changes initiated by the University. Students suspended or expelled for disciplinary reasons are not entitled to a refund of any deposits, tuition, or fees paid. Additionally, students who are asked to vacate their residence hall rooms as a result of disciplinary actions are not eligible for refunds.

Rules Governing the Classification of Students as In-State Residents and Non-Residents (Out-of-state)

A. United States Citizens

1. An independent student who has established and maintained a domicile in the State of Georgia for a period of at least 12 consecutive months immediately the first day of classes for the term shall be classified as "in-state" for tuition purposes. It is presumed that no student shall have gained or acquired in-state classification while attending any postsecondary educational institution in this state without clear evidence of having established domicile in Georgia for purposes other than attending a postsecondary educational institution in this state.
2. A dependent student shall be classified as "in-state" for tuition purposes if either: i) the dependent student's parent has established and maintained domicile in the State of Georgia for at least 12 consecutive months immediately preceding the first day of classes for the term and the student has graduated from a Georgia high school; or ii) the dependent student's parent has established and maintained domicile in the State of Georgia for at least 12 consecutive months immediately preceding the first day of classes for the term and the parent claimed the student as a dependent on the parent's most recent federal income tax return.
3. A dependent student shall be classified as "in-state" for tuition purposes if a U. S. court-appointed legal guardian has established and maintained domicile in the State of Georgia for at least 12 consecutive months immediately preceding the first day of classes for the term, provided that appointment was not made to avoid payment of out-of-state tuition and the U.S. court-appointed legal guardian can provide clear evidence of having established and maintained domicile in the State of Georgia for a period of at least 12 consecutive months immediately preceding the first day of classes for the term.
4. If an independent student classified as "in-state" relocates temporarily but returns to the State of Georgia within 12 months, the student shall be entitled to retain in-state tuition classification.
5. If the parent or U.S. court-appointed legal guardian of a dependent student currently classified as "in-state" for tuition purposes establishes domicile outside of Georgia after having established and maintained domicile in the State of Georgia, the student may retain in-state tuition classification as long as the student remains continuously enrolled in a public postsecondary educational institution in the state, regardless of the domicile of the parent or U.S. court-appointed legal guardian.

B. Noncitizens

Noncitizens initially shall not be classified as "in-state" for tuition purposes unless there is evidence to warrant consideration of in-state classification. Lawful permanent residents, refugees, asylees, or other eligible noncitizens as defined by federal Title IV regulations may be extended the same consideration as citizens of the United States in determining whether they qualify for in-state classification. International students who reside in the United States under nonimmigrant status conditioned at least in part upon intent not to abandon a foreign domicile are not eligible for in-state classification.

A glossary defining the terms in the tuition classification policy can be found in the University System of Georgia Board of Regents Tuition Classification.

Awarding Out-Of-State Tuition Waivers

Selected out-of-state tuition waivers are entered by the Director of Admissions. The Director of Admissions reviews and enters the requests for students that are seeking one of the following waivers:

Presidential Waivers

1. **Academic:** The Director of Admissions is responsible for assigning this waiver under the following criteria: Freshmen students who have demonstrated the potential to excel within a particular program of study offered by the institution as evidenced by scoring within the top half of the students matriculating at the institution or the top half of students matriculating within the particular program of study to which the student has applied. Institutions shall determine the top half using the academic criteria (i.e. FI, standardized test scores, GPA, artistic ability) applicable either

for general admission to the institution or for the particular program of study to which the student has applied. Presidential waivers (2% of the previous year's Fall full time enrollment).

The graduate school at VSU in conjunction with the appropriate colleges and departments shall determine which students are eligible for an academic or international presidential out-of-state waiver. Determinations of academic superiority will be made on a case by case basis to tailor the expected contribution of the student to programmatic needs. The graduate school is limited to 20 out-of-state waivers in addition to the border county waivers, per BOR policy. Requests are made in writing for the Dean of the Graduate School to review and determine if the student will be considered for one of the 20 waivers. The graduate school verifies that lawful presence has been satisfied before requesting the waiver to be entered by the Director of Admissions. Continued eligibility for this waiver is at the discretion of the Director of Admissions (undergraduate) & Dean of Graduate Admissions (graduate).

1. **Athletic:** Students selected to participate in the institution's intercollegiate athletics program and who have demonstrated the potential to succeed within a particular program of study offered by the institution. The percentage of waivers offered within the Athletic category shall not exceed one-third (1/3) of the 2% of Presidential Waivers which the institution is eligible to offer. In order to qualify for an athletic presidential waiver, students selected to participate in VSU's intercollegiate athletics program must have demonstrated the potential to succeed in a particular degree program. Such evidence will be demonstrated by the students meeting the standard qualifications for acceptance to the university. The Director of Admissions communicates with the Director of Athletics annually regarding the number of waivers allotted. Each semester the Director of Athletics puts in writing a request for the athletes to receive the waiver which is entered by the Director of Admissions. In order for a student to maintain the Athletic waiver, the student must be in good standing with the Athletic department and satisfying NCAA academic standards. The Director of Athletics monitors students' eligibility to remain on the waiver.
2. **International:** Non-citizen students who are otherwise not eligible for a tuition differential waiver under this policy and who have demonstrated the potential to succeed within a particular program of study offered by the institution. In addition, these waivers will be used to increase the cultural, ethnic and sociological diversity of the campus to enhance the educational experience of the student population as a whole. The Director of Admissions communicates annually with the International Programs office the allotted number of waivers. International students follow an application procedure and the students chosen for the waiver are done so by a committee. The committee will send the students chosen to the Director of Admissions who will enter the names into Banner. The International Programs office monitors students' eligibility to continue receiving the waiver which includes maintaining an institutional GPA of at least 3.0 and participating in at least 2 service projects each semester.

If incomplete information is found on the application, the information must be requested. A copy of the application can be returned to the student so missing information can be provided or staff can contact the student to provide the missing information over the phone or via email.

Examples of supporting documentation include:

Awarding Border County Waiver--Graduate Level Students Only

Graduate level students domiciled in Baker/Columbia/Hamilton/Jefferson/Leon/Madison/Nassau County, Florida may be eligible for this waiver. The documentation found under the forms link of the Office of the Registrar will need to be completed and turned into the Registrar to determine eligibility of the waiver.

Please Note: In order to avoid delay and inconvenience upon arrival for registration, any question concerning residence status should be clarified immediately upon receipt of acceptance of admission or not later than one month prior to the registration date. Questions for clarification should be addressed to Resident Committee, Office of Admissions, Valdosta State University, Valdosta, Georgia 31698.

Student Responsibilities

1. **Student Responsibility to Register under Proper Classification:** The responsibility of registering under the proper residence classification is that of the students. If there is any question of the right to classification as a legal resident of Georgia, it is the student's obligation, prior to or at

the time of his or her registration, to raise the question with the administrative officials of the institution in which he or she is registering and have the classification officially determined. The burden always rests with the student to submit information and documents necessary to support the contention of qualification for in-state residency under Regents' regulations.

2. **Notification upon Becoming a Non-Resident:** Students who are classified as residents (in-state) must notify the proper administrative officials of their institution immediately of any change (out-of-state) in their residency status.

Reclassification of Non-Resident Students

Those non-resident (out-of-state) students who believe they have met the resident requirements as previously set forth may complete a Petition for Residence Status, which is available in the Registrar's Office and must be completed and supported by the required documentation before an initial review of status can be conducted.

The initial review is conducted by a member of the Registrar's staff, who will rule on the basis of oral evidence and other documentation supporting the petition for in-state resident status. The results of the initial review, if unfavorable, may be appealed to the Residence Status Review Committee and ultimately to the president, if such action is required.

Such petitions and appeals must be completed no later than 60 days following registration for the academic term for which residence status is to be effected. If the petition is granted, reclassification will not be retroactive to prior terms.

Should it be determined that the student has misrepresented or omitted material facts which results in classification or re-classification as a resident student, retroactive charges for out-of state tuition will be made and must be paid prior to the close of the academic term in which they are levied.

Verification of Lawful Presence

The Board of Regents of the University System of Georgia (USG) has recently instituted new policies that affect all applicants who seek in-state tuition at USG institutions. According to USG policy, individuals who apply for Fall 2011 and beyond must submit documentation of U.S. citizenship or permanent residency before being considered for in-state tuition.

The following documents serve as proof of lawful presence in the United States. One of the following is required before you are eligible for in-state tuition:

- Your completed FAFSA for the current or next financial aid year. Lawful presence can be determined through this process.
- A certified U.S. birth certificate showing the applicant was born in the U.S. or a U.S. territory. Photocopies are not acceptable.
- Copy of a current U.S. passport.
- Copy of a current driver's license issued by the State of Georgia after January 1, 2008.
- Copy of a U.S. certificate of naturalization.
- Copy of a U.S. certificate of citizenship.
- A U.S. certificate of birth abroad issued by the Department of State or a consular report of birth abroad.

Please note: Any applicant whose status cannot be verified is not eligible for in-state tuition regardless of how long he or she has lived in Georgia.

Check Cashing Service

All checks and money orders must be payable through a United States bank. To accommodate students, the University will cash one personal check per day, per student, for \$50.00 or less at the Bursary. Bursary hours are Monday-Thursday, 8:00 a.m. to 5:00 p.m., and Friday, from 8:00 a.m. to 2:30 p.m. Checks will not be cashed if the student has a "Hold" on his or her student account. Checks drawn for cash only must be made payable to "VSU-CASH." The University will not accept two-party checks for cashing. Parents who send their son or daughter spending money by check should make their check payable to VSU, with the student's name on the "for" section of the check.

Checks issued to the University in payment of fees, purchases of books, etc., or to be cashed for personal convenience must be paid upon presentation to the bank on which they are drawn. Checks returned to the University for insufficient funds, account closed, stopped payment, or for any other reason will be handled in accordance with the Collections Policy, below.

Additionally, the University can suspend the student from class and from any facilities of the University for a returned check of any reason. Suspension from class will not relieve the student from the obligation for payment of the returned check and fees.

Collections

The University recognizes that circumstances may arise to create a balance due to the University. In the effort to protect the financial interests of the institution and the State of Georgia, VSU follows the Business Procedures Manual of the Board of Regents, chapter 10.0, regarding collection, due diligence procedures, and write-off.

Financial holds are placed on student accounts for balances due. These holds will not allow students to register, graduate, or receive official VSU documents until outstanding balances are paid. Students can check their account status and hold type by visiting the Banner Registration website.

Generally, student account balances and returned checks (NSF) that are past due 180 days will be turned over to the University's Collection Agency.

Cancellation of Student Registration for Cause

The University reserves the right to cancel the registration of any student who fails to meet his or her financial responsibility, according to the rules and regulations of the University. The rules and regulations provide that:

1. All fees are due and payable upon completion of registration. Students should not register for classes without having sufficient funds available to pay their fees. For payment instructions, click here (<http://catalog.valdosta.edu/tuition-fees-costs/%20http://www.valdosta.edu/administration/finance-admin/financial-services/students/services/how-to-pay-fees.php>).
2. Any check issued to the University in payment of fees, or to be cashed for personal convenience, must be paid upon presentation to the bank on which it is drawn. A student who issues a check on a bank without having sufficient funds on deposit in that bank has violated the statutes of the State of Georgia and appropriate collection action will be taken.
3. All fines for violations of the rules related to parking and traffic, and charges related to the library and other facilities such as laboratory breakage, etc., must be paid promptly. Those students having outstanding obligations will not be allowed to enroll in subsequent terms.
4. Misuse of an I.D. card may result in suspension from classes of all involved students.
5. Students who have secured short term loans must have this obligation paid in full according to the terms agreed upon with the Loan Officer to avoid suspension or possible cancellation of the term's registration.
6. Students who misrepresent the facts pertaining to their qualifications to live off-campus may be suspended from classes. In each instance, students will be given proper notice to comply with the housing regulations before action is taken to effect cancellation of their registration.
7. The University reserves and intends to exercise the right to withhold copies of education records and/or to cancel enrollment of students who owe the University money.
