

# Certification in School Library Media (Certification Only)

---

This program is designed for individuals who have obtained a master’s degree or education specialist degree in another program area and are now interested in becoming eligible for Media Specialist Certification. Initial certification in this area is generally at the master’s level (S-5); there is no certification at the baccalaureate level. Individuals who hold a master’s degree or an education specialist degree who complete all of the requirements for initial Media Specialist certification will be eligible to be certified at the S-5 or S-6 levels.

## Requirements for Certification Only—School Library Media

**Corequisites: ITED 7204 or an approved P-12 literature course and SPEC 3000/7000 or GaPSC approved course for the Exceptional Child**

**A transcript evaluation is required to determine a program of study for non-degree/certification only applicants.**
