After successfully completing a university program at the undergraduate level for a master's-level program, or at the appropriate graduate level for education specialist and doctoral programs (as evidenced by receipt of a degree from a regionally or nationally accredited institution or approved institution indicating that a baccalaureate degree has been completed), an applicant may be considered for admission to the Graduate School at Valdosta State University. Please submit all application-related materials through our Apply Now (<https://www.valdosta.edu/academics/graduate-school/apply-now.php>) page.

Please consult our programs page (<https://www.valdosta.edu/academics/graduate-school/our-programs/>) for a list of specific requirements for each program. General requirements are as follows:

1. **Applicants must complete the online Graduate Application and fee.** Visit the Graduate School homepage (<https://www.valdosta.edu/academics/graduate-school/our-programs/>) and click Apply Now (<https://www.valdosta.edu/academics/graduate-school/apply-now.php>) or go directly to the application page by clicking here (<https://www.valdosta.edu/academics/graduate-school/apply-now.php>).

2. **Official Transcripts**

Applicants seeking a Master's degree must submit official transcripts from their bachelor's degree-granting college or university and from any graduate coursework. Please note: if the department determines that undergraduate transfer credits transcripts are necessary for review, the Graduate School will contact applicants for their submission. The M.S. in Biology requires official transcripts from all colleges/universities attended, including transfer credit. Applicants seeking Education Specialist or doctoral degrees must submit an official transcript from each graduate institution previously attended. For Education Specialist and doctoral applicants, transcripts from undergraduate institutions are not required. Please consult your checklist for required documents needed for program decision. For non-degree certification only programs, please consult the program admissions information page for the required transcripts.

3. All applicants must include a final college transcript including date of degree from a regionally or nationally accredited institution or approved institution indicating that a baccalaureate degree has been completed. Applicants may be accepted pending graduation if their degree will be awarded after the admissions deadline but before enrollment. If an applicant attended school outside the United States, a course-by-course evaluation of all transcripts from outside the U.S. is required.

4. **Official Test Scores**

Visit the Programs page (<https://www.valdosta.edu/academics/graduate-school/our-programs/>) to see if test scores are necessary for your program and, if so, please select the appropriate entrance exam from the options available for your degree program.

The Graduate Record Examination (GRE), Graduate Management Admission Test (GMAT), or Miller Analogies Test (MAT) scores are considered official when they are sent directly to the Graduate School from the Educational Testing Service (GRE), the Graduate Management Admissions Council (GMAT), or Pearson Publishers (MAT). Scores are only retained by the testing service for a period of five years. If the applicant's test date is over five years old and scores cannot be obtained directly from the testing service, the applicant may contact another institution to which the scores have been previously submitted to request confirmation of the scores. Confirmation may come in the form of a letter from the institution providing the score(s) and the test date or an official transcript with the scores printed on the document. Please note: some departments may not accept scores older than five years. Valdosta State University reserves the right to verify or validate all information submitted for consideration for admission into graduate study. Validation may include the submission of additional standardized admissions test scores.

5. **Language Proficiency Requirement**

Students whose first language is not English must present evidence of English language proficiency by submitting one of the following documents: official scores on the Test of English as a Foreign Language (TOEFL), official scores on the International English Language Testing System (IELTS), or completion of Level 6 at VSU's English Language Institute with a B average or better.
