#### The Accelerated Undergraduate-to-Graduate Track

The Accelerated Undergraduate-to-Graduate Track is an undergraduate-to-graduate degree program. Students in this track will complete up to 9 hours of graduate course work at the 7000 level in Public Administration that will count toward the completion of the undergraduate degree in Organizational Leadership. These 9 hours may then be applied toward the completion of degree requirements for the Master of Public Administration degree upon admission to the graduate program at Valdosta State University.

To be admitted to the Accelerated Undergraduate-to-Graduate degree program, students

- 1. must have completed the courses listed below and have earned a minimum grade of B (or course equivalent),
- 2. acquired a cumulative VSU GPA of 3.0 or higher;
- 3. submit a personal statement not to exceed 5 pages describing how the program will assist the students to achieve their goals;
- 4. submit to the PADM/ORGL Program Coordinator the Accelerated Undergraduate-to-Graduate application, two letters of recommendation from VSU Political Science faculty, a current resume, and a writing sample from an ORGL/POLS course to demonstrate writing skills.

Once admitted to the program, a specific course of study will be developed with the student's undergraduate advisor, as the student can take one or more graduate courses to complete the undergraduate degree (summer, fall, and/or spring terms once the student is admitted to the Accelerated Undergraduate-to-Graduate track).

Graduate courses taken as an undergraduate will count toward the student's undergraduate degree requirements but will not count toward the student's undergraduate GPA or the calculation of academic honors.

Upon admission to the Accelerated Undergraduate-to-Graduate Track, students must maintain an overall GPA of 3.0 to remain in good standing. Students who do not remain in good standing or who do not wish to continue with the track may complete the remaining requirements for the B.S. in Organization Leadership.

Successful completion of the Accelerated Undergraduate-to-Graduate Track requires that the student earn a grade of B or better in all graduate-level coursework. A grade of C earned in a graduate course can still be used for credit toward the undergraduate degree, but such a grade will affect the student's graduate GPA as a grade of C creates one deficiency point at the graduate level.

Once a student graduates with the B.S. in Political Science, she/he/they must submit the VSU graduate application form to continue the M.P.A. degree.
