Notes:

- The English Education Track is for students who are pursuing the double major with Education. The English Education Track can be earned in 126 hours as long as participants take their first foreign language course in Area C and take ENGL 2060 and ENGL 2080 in Area F; otherwise, attaining the double major will require more than 126 hours.
- Any English Education Track student who cannot gain acceptance into the education program or maintain program enrollment (because of low GACE scores or low GPA, for example) must switch to the English Track--B.A. Only, with its requirements of 9 hours in a single foreign language and 36 hours of ENGL courses at the 3xxx/4xxx level.
- The English Education track is for students who are pursuing the double major with education. Students who cannot gain acceptance into the education program or maintain program enrollment (because of low GACE scores or low GPA, for example) must switch to one of the other English tracks and fulfill the requirements for that track.
- To complete both majors successfully, students must earn a minimum grade of "C" or better in all Area F, content concentration, and professional courses; earn an adjusted GPA of 3.0 or higher across all EDUC courses, upper division (3000-4000) ENGL/LING courses, and professional courses; and maintain an overall GPA of 2.75 or higher. Foreign language courses will not be included in the adjusted GPA requirement.
