Bachelor of Science with a Major in Chemistry

Requirements for the Bachelor of Science Degree with a Major in Chemistry

The chemistry department requires that the prerequisites for a number of chemistry courses be completed with a grade of “C” or better. Majors in the department should consult an advisor at frequent intervals to be certain that prerequisites are met at the appropriate time and with a suitable grade.

VSU/PCOM School of Pharmacy 3 + 4 Program

Under an agreement between VSU and the Philadelphia College of Osteopathic Medicine (PCOM) School of Pharmacy, students may earn a BS in Chemistry and a PharmD upon completion of this program. Students begin with acceptance to PCOM's Early Assurance Program. The 3 + 4 program consists of three years of undergraduate coursework at VSU under a modification of the Chemistry Pre-Professional option. After acceptance and matriculation to PCOM's PharmD program, approved courses from the first two years of study at PCOM are transferred to VSU to satisfy upper division requirements to complete the BS in Chemistry. Students interested in this program should contact PCOM about the Early Assurance Program and the Chemistry department at VSU.

The student will complete Core IMPACTS and the Pre-Professional Option curriculum with the following modifications:

1. MATH 1401 and CHEM 1210 will satisfy Institutional Priority.
2. COMM 1100 must be taken as an Arts, Humanities, and Ethics elective.
3. ECON 2105 or ECON 2106 must be taken as a Social Sciences elective.
4. BIOL 1108 and BIOL 1108L will satisfy the Science elective, 2000-level or higher, requirement.
5. The Modern Foreign Language requirement is waived (9 credit hours).
6. Additional required courses are BIOL 2651, BIOL 2652, and CHEM 4210.
7. The requirement for 30 of the last 40 hours to be taken in residence at VSU is waived.
8. After acceptance and matriculation to PCOM School of Pharmacy, a minimum of 22 credit hours from PCOM School of Pharmacy courses that are approved by the Chemistry department will be transferred to VSU as upper division hours to satisfy all remaining requirements for the Chemistry major: Pre-Professional Option.
